United States Bowling Congress (U.S.B.C.) rules and regulations will govern this tournament. Tournament shall be open to all bowlers who are members of the USBC and an individual membership card must be shown by each entry upon request to establish bowler's eligibility to participate. Bowlers not in possession of a current USBC membership card, may establish eligibility to roll in this tournament upon payment of affiliate membership fees of \$21.00 for men, \$17.00 for women, or a \$5.00 participation fee per USBC Rule 300 C. This is a USBC sanctioned tournament.

Unmarried grade and high school students under the age of 18 must have written consent of a parent or guardian before participating in this tournament. Such consent must be on file with the tournament committee at least one week before participation, unless the student is accompanied by a parent or guardian, in that case, the consent must be filed prior to the start of bowling. Employees of Executive Strike and Spare are not eligible to bowl in this tournament.

PBA Rule for 2012: For the purpose of Team Event and Double Event a maximum of 1 PBA member per team. You are considered a PBA member if you have ever been exempt or have a PBA, Regional, Senior or Women's title since 2000.

Brackets: We have the right to limit the amount of Actual & Handicap Brackets that you may enter.

This tournament shall be a combined handicap-actual tournament with 80% of the prize money being paid as handicap prizes and 20% paid as actual prizes. At least one prize for each seven entries in the five-man team event, two-man (doubles), singles event and all events will be awarded with entries being permitted to win both ways. Handicap champions and prize winners shall be determined by adding the individual's actual series for three games to a handicap based on 90% of the difference of the individual's entering average and 220 per game for three game series.

1. All average verification cards are expected with the completed entry blank and appropriate entry fees. Bowlers who have not submitted a signed verified average card in advance of their squad bowling time will use a 220 average, zero handicap, in brackets, jackpots, and the tournament proper. The entering tournament average shall be determined as follows. Notice: Bowlers submitting averages from Sport League must report this information and conform to rules 202 A & B for adjusting as per USBC sport bowling chart. **BOWLERS SUBMITTING INCORRECT AVERAGES ARE SUBJECT TO DISQUALIFICATION.**

2. A Bowler's highest book average based on 21 or more games in any sanctioned league rolling during the 2010-11 season will be used. If bowler is 10 pins higher in any league as of Jan 1st, 2012 bowler must use that average.

3. Bowlers who have not bowled 21 or more games in any one league during 2010-11 season prior to January 1, 2012, but have a verifiable previous regular or summer season league average based on 21 or more games in any sanctioned league or a tournament average may submit most recent average to the tournament committee for their approval provided this average is not less than 165 for women or 170 for men in which case highest average shall be used as tournament average.

4. A bowler with no previous league or tournament experience shall use 220 as an average and receive 0 pins handicap.

5. USBC Rule 17 and USBC Rule 319 shall apply to all entrants and strictly enforced. According to USBC Rule 319 bowlers must adjust entering average and submit the adjusted average to the Tournament Committee if the accumulated average for all but not less than 21 tournament games, exceeds the average to be used by 15 or more pins. In that case, the adjusted average will be used as tournament average.

6. Bowlers will be REQUIRED to report tournament winnings of \$600.00 or more in accordance with USBC Rule 319D.

7. The Tournament Committee reserves the right to rerate, prior to bowling of any three game set, the average of any bowler whose entering average is not comparable to his past tournament(s) average or does not reflect the bowler's true ability. If this rerated average is not acceptable to the individual the entry fee will be returned to the bowler. Bowlers rerated in accordance with USBC Rule 319 are not eligible for refund of entry fee. Any bowler who has accepted or rejected a rerate for any tournament must notify the Derby Tournament Committee.
